- **Detailed analysis** of major constitutional documents and amendments
- **Historical constitutional documents** and related material
- **Original source documents** provided from many countries
- **What's New feature** highlights recent updates

### Extensive range of search options and links...

- **Browse** by country name, new entries, or groups of countries
- **Excellent search functionality** allows users to search by keyword, country, and related keywords
- **Refine searches** by narrowing data ranges, document types, and more
- **Sort results quickly** with the help of colour coding and document previews
- **Quick and easy linking** among search results, documents, and related notes

## Constitutions of Dependencies and Territories Online

Philip Raworth, *Professor Emeritus, University of Alberta*

With the same features as *CCW Online*, *Constitutions of Dependencies and Territories Online* offers expert English translations, and thoughtful commentary on the constitutions of 40 countries and their 170 dependencies and territories, as well as the federal constitutional provisions that define the relationship between a state and its dependencies or territories.

## Constitutions of the United States: National and State Online

Oceana Editorial Board

This invaluable source consists of the most complete and up to date American constitutions: the United States Constitution; each of the 50 state constitutions; plus constitutions of 15 U.S. territories including the Virgin Islands, Puerto Rico, Guam, the Marshall Islands, Northern Mariana Islands, and the Federated States of Micronesia.
